This baby is available in three options. Find your perfect match!

SPECIFICATIONS

 Capacity 100 - 1500 gr.	 Gastype Natural & Propane (W1A)	 Weight 150 kg	 Heating Electrical (W1E)
 Power All power supplies	 Exhaust 100 mm	 Certificates CE	

W1A

It's all in the name. This automatic coffee roaster is compact, mobile and easy to use. The temperature, the drum speed and the burner are adjustable and the airflow can be controlled.

W1M

Enjoy the art of roasting with this manually operated roaster and it's many options. Like a adjustable burner pressure or manual airflow control. You can also roast and cool at the same time!

W1E

Our W1A but then electric! The drum speed and the burner pressure are adjustable and the airflow can be controlled.

WHAT OUR CLIENTS SAY ABOUT OUR W1 ROASTERS:

"Love Giesen roasters for so many reasons! Beauty and function, merged seamlessly into an outstanding machine of breathtaking awesomeness. Friendly, helpful staff. Ease of use, and amazing coffee! Couldn't ask for better." - Typeface Coffee Roasters
