## MODULAR CAR WASHES

### FMA STANDARD 14

Product number **1002022010**

The core of FMA-STANDARD 14 carwash concept is the unmanned Roll Over -washing machine. It combines safety, splendid washing results and excellent usability level. The washing machines have many available high added value options that may increase the average price of sold wash. Equipment operations are fully independent - payments can also be made via self-service terminal or a mobile phone. For wash control and monitoring, we offer ready servicing models on 24/ bases.
