EasyPress

# Laundry compressing and packing

The EasyPress is the ultimate packaging solution for compressing and packaging laundry, making packaging faster, more hygienic and more efficient than ever before. With the EasyPress, you can reduce labour, minimize product waste and lower your carbon footprint. By reducing the size of packages, transportation needs are greatly decreased, leading to over 37.5% savings on transport costs and CO<sub>2</sub> emissions. Use the EasyPress for a streamlined, efficient, and eco-friendly laundry packaging solution.

Check out our video  
about the the  
**EasyPress**

## Volume reduction

Save over 37.5% while packaging your products

## More sustainable

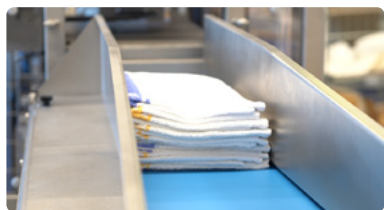

Reduce your CO<sub>2</sub> emissions

## Speed up your process

Up to 300 packages per hour

5 steps

## How the EasyPress works

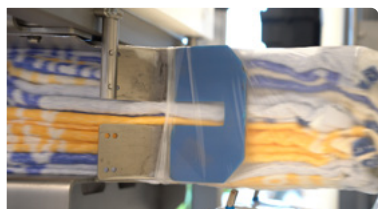

1 Supplying piles of laundry

2 Stacking piles

3 Compressing into a small bundle

4 Pushing bundle in bag

5 Bag sealing

### Our world

We are Niverplast, a Dutch packaging company changing the industry with automation and innovation. With a focus on bag-in-box enclosures, we ensure every product, from bread to meat, is packed with precision and care. Our durable machines work perfectly with our EasyOpen bags for efficient operations.

We believe happy colleagues create happy customers. We care about our team's well-being, ensuring great service and continuous improvement. And we won't stop until you say, "That's exactly what I needed."
